Policy

The titles of Bosch, Challis, Kellion, McCaughey and Peter Nicol Russell Chairs are conferred by the Chair Appointments Committee following the recommendation of the Dean of the appropriate Faculty.

In forming such recommendations, Deans are required to:

(a) consult all professors in the relevant discipline(s); and
(b) take into account the factors of distinction and seniority.

Where the Dean is a candidate for the conferral of such a title, the Faculty Executive Committee should refer the matter to the Provost, who will then conduct the appropriate consultations and make a recommendation to the Chair Appointments Committee.

Vacant Challis and McCaughey chairs will be filled by advertisement when there is no professor in the relevant disciplines and by the serving professor when the department does not wish to advertise.

Unless there are exceptional circumstances, a holder of the titles of the Bosch, Challis, Kellion, McCaughey and Peter Nicol Russell Chairs shall be full-time members of academic staff.
