

AGENDA ITEM 7

Report of the Vice-Chancellor and Principal

7.2 General report

7.2.1 Triple Bottom Line Reporting

separate item

The Office of Strategy Implementation and Sustainability Planning commenced a Triple Bottom Line (TBL) project in 2006 to develop a University Sustainability. The first phase of the project was a comprehensive assessment of The University of Sydney's TBL performance 2004 – 2006, and the report of this assessment is distributed as a separate attachment to the agenda.

Recommendation

That the Academic Board note the Vice-Chancellor's report on Triple Bottom Line Reporting, as set out in the report presented.

7.2.2 Professional Services Stakeholder Survey and Staff Engagement Survey

separate items

The results of the Professional Services Stakeholder Survey and Staff Engagement Survey are circulated with this agenda as separate items.

Recommendation

That the Academic Board note the Vice-Chancellor's report on the Professional Services Stakeholder Survey and Staff Engagement Survey, as set out in the report presented.
