3.1.3.3 enrol for and successfully complete units of study, covering material new to the candidate, giving credit for a total of 24 credit points to qualify for the Graduate Certificate in Qualitative Health Research.

4. Award

4.1 The Master of Qualitative Health Research, Graduate Diploma in Qualitative Health Research and the Graduate Certificate in Qualitative Health Research shall all be awarded in one grade only, namely pass.

5. Award of Graduate Certificate in Qualitative Health Research

5.1 A candidate for the degree of Master of Qualitative Health Research or the Graduate Diploma in Qualitative Health Research may apply for the award of the Graduate Certificate in Qualitative Health Research if, in the opinion of the faculty and on the recommendation of the Head of Public Health, the candidate fulfils the requirements in 3.

5.2 Such a candidate shall thereupon cease to be a candidate for the previous award course.

6. Award of Graduate Diploma in Qualitative Health Research

6.1 A candidate for the degree of Master of Qualitative Health Research may apply for the award of the Graduate Diploma in Qualitative Health Research if, in the opinion of the faculty and on the recommendation of the Head of Public Health, the candidate fulfils the requirements in 3.

6.2 Such a candidate shall thereupon cease to be a candidate for the previous award course.

7. Method of progression

7.1 A candidate for the degree shall proceed by enrolling and completing units of study as prescribed by the faculty.

8. Enrolment

8.1 A student must be enrolled in each semester in which he or she is actively completing the requirements for the award course.

8.2 The candidature of a student who has not re-enrolled and who has not obtained approval from the faculty for a suspension of candidature for the relevant semester will be deemed to have lapsed.

9. Restrictions on enrolment

9.1 Admission to candidature may be limited by a quota. In determining the quota the Faculty will take into account:

9.1.1 availability of resources

9.1.2 availability of adequate and appropriate supervision.

9.2 In considering an application for admission the dean will take into account the quota.

Entry will be based on applicants who are most meritorious in terms of item 1.

10. Discontinuation of enrolment

10.1 A candidate who wishes to discontinue enrolment from the Master of Qualitative Health Research, Graduate Diploma in Qualitative Health Research or the Graduate Certificate in Qualitative Health Research, must notify the faculty in writing and will be presumed to have discontinued enrolment from the date of that notification, unless evidence is produced showing:

10.1.1 that the discontinuation occurred at an earlier date; and

10.1.2 that there was good reason why the notification could not be made at the earlier time.

10.2 A discontinuation of enrolment may be recorded as *Withdrawn (W)* or *Discontinued Not To Count As Failure (DNF)* where that discontinuation occurs within the time-frames specified by the University and published by the Student Centre, or where the student meets other conditions as specified by the faculty.

11. Suspension of candidature

11.1 A candidate who wishes to suspend their candidature must apply, in writing, to the faculty.

11.1.1 The application must be received by the faculty prior to the commencement of the relevant semester.

11.1.2 A candidate may only apply for a period of suspension for one semester at any one time. Should a candidate wish to suspend their candidature for more than one semester another application must be made to the faculty for each subsequent semester, prior to the commencement of the relevant semester.

11.1.3 Late applications may be considered at the faculty's discretion.

11.1.4 Where a student has previously enrolled for the relevant semester, a suspension of enrolment may be recorded as *Withdrawn (W)* or *Discontinued Not To Count As Failure (DNF)* where that application is received within the time-frames specified by the University and published by the Student Centre, or where the student meets other conditions as specified by the faculty.

11.2 Where the candidate has previously had two semesters of suspension the application will be considered by the Board of Postgraduate Studies for the faculty.

12. Re-enrolment after an absence

12.1 A student must enrol in the semester following a period of approved suspension.

12.2 A student whose candidature has lapsed must apply for re-admission in accordance with procedures determined by the faculty.

13. Satisfactory progress

13.1 The faculty requires students to demonstrate satisfactory progress with their studies as set out in the current relevant University policy on progress.

14. Credit

14.1 Refer to *University of Sydney (Coursework) Rule 2000 (as amended)*, Division 3, Section 8 and the Board of Postgraduate Studies for the Faculties of Dentistry, Medicine and Pharmacy *Academic Credit, Advanced Standing, and Exemption Policy*.

15. Time limits

15.1 A full-time candidate of the degree of Master of Qualitative Health Research must complete the requirements for the degree not earlier than one year after the commencement of candidature and, except with the permission of the Faculty on the recommendation of the head of the discipline concerned, not later than three years after commencement of candidature.

15.2 A part-time candidate of the degree of Master of Qualitative Health Research must complete the requirements for the degree not earlier than two years after the commencement of candidature and, except with the permission of the Faculty on the recommendation of the head of the discipline concerned, not later than six years after commencement of candidature.

15.3 A full-time candidate of the Graduate Diploma in Qualitative Health Research must complete the requirements for the degree not earlier than one year after the commencement of candidature and, except with the permission of the Faculty on the recommendation of the head of the discipline concerned, not later than two years after commencement of candidature.

15.4 A part-time candidate of the Graduate Diploma in Qualitative Health Research must complete the requirements for the degree not earlier than two years after the commencement of candidature and, except with the permission of the Faculty on the recommendation of the head of the discipline concerned, not later than four years after commencement of candidature.

15.5 A part-time candidate of the Graduate Certificate in Qualitative Health Research must complete the requirements for the degree not earlier than one year after the commencement of candidature and, except with the permission of the Faculty on the recommendation of the head of the discipline concerned, not later than three years after commencement of candidature.

16. Examination

16.1 The Head of Public Health shall report the result of the examination of the coursework and other work, if any, to the faculty which shall determine the results of the candidature.
