

FACULTY OF ARCHITECTURE

Proposed changes to the Graduate Coursework Resolutions

At its meeting on 25 July 2001, the Faculty of Architecture approved the following changes to the requirements of its graduate coursework programs. The changes provide for a minimum core requirement for the Master's degree, Graduate Diploma and Graduate Certificate (under the current resolutions a minimum core component is not specified). They also provide for specific accreditation needs (currently the MURP has requirements specified by its professional accreditation board: the Royal Australian Planning Institute).
