The University of Sydney

CODE OF CONDUCT FOR STUDENTS (DRAFT)

1. Principles

This Code of Conduct has been formulated to provide a clear statement of the University's expectations of students in respect of academic matters and personal behaviour.

Study at the University presents opportunities for interacting with other members of the University community. The University recognises and values the diversity of student experiences and expectations, and is committed to treating students, both academically and personally, in a fair and transparent manner. All students, in return, are required to comply with the requirements set down in this Code of Conduct.

The University reaffirms its commitment to:

- high academic standards, intellectual rigour and a high quality education;
- intellectual freedom and social responsibility;
- recognition of the importance of ideas and the pursuit of critical and open inquiry;
- tolerance, honesty and respect as the hallmarks of relationships throughout the University community; and
- high standards of ethical behaviour.

All students are required to be aware of and act consistently with these values.

2. Coverage

This Code of Conduct applies to all students of the University of Sydney, in respect of all actions and activities (including inaction or inactivity) relating to or impacting on the University or its students and employees. It must be read in conjunction with the statutes, rules, and resolutions of the University.

3. Definitions

In this Code of Conduct:

Student means all students of the University of Sydney, including but not limited to fee paying students, HECS students, PELS students, audit students, Centre for Continuing Education students, Centre for English Teaching students, exchange students, Study Abroad students, Summer School students and Winter School students.

Employee means all ~~honorary, voluntary and paid~~ staff of the University of Sydney, (including full-time, part-time or casual staff) ~~Fellows of Senate~~.

4. Personal conduct

All students must:

- treat all employees, honorary appointees, consultants, contractors, volunteers any other members of the public and other students with respect, dignity, impartiality, courtesy and sensitivity;
- maintain a cooperative and collaborative approach to inter-personal relationships;

- act honestly and ethically in their dealings with University employees, honorary appointees, consultants, contractors, volunteers any other members of the public and other students;
- respect the privacy of employees, honorary appointees, consultants, contractors, volunteers any other members of the public and other students;
- ensure that they do not act in a manner that unnecessarily or unreasonably impedes the ability of employees, honorary appointees, consultants, contractors, volunteers any other members of the public and other students to carry out their study, research or work at the University, including in the University of Sydney Library, lecture theatres and laboratories;
- ensure that they do not act in a manner that unnecessarily or unreasonably impedes the ability of employees, honorary appointees, consultants, contractors, volunteers any other members of the public or other students to access or use the resources of the University, including the University of Sydney Library resources, lecture theatres and laboratories; and
- ensure that they do not become involved in or encourage discrimination against or harassment or bullying of employees, honorary appointees, consultants, contractors, volunteers any other members of the public or other students.

5. Academic Conduct

All students must:

- ensure that their enrolment and progress in their award course is lawful and consistent with the statutes, rules and resolutions of the University of Sydney, for example, it is a student's responsibility to maintain current information in the student information system; and observe key dates and deadlines;
- read all official correspondence from the University, including email and SMS messages;
- act ethically and honestly in the preparation, conduct, submission and publication of academic work, and during all forms of assessment, including formal examinations and informal tests;
- avoid any activity or behaviour that would unfairly advantage or disadvantage another student academically;
- conform to the University's requirements for working with humans, animals and biohazards;
- behave professionally, ethically and respectfully in all dealings with the University's learning partners during extramural placements and practicums; and
- use University resources, including information and communication technology resources, in a lawful and ethical manner and for University purposes only, unless express permission has been granted for non-University or private usage.

6. Authority

This Code of Conduct was approved by [insert] pursuant to [insert] on [insert date].

AGENDA ITEM 8
Report of the Undergraduate Studies Committee

8.2 Report on Honours Resolutions of the Faculty of Engineering

In the main agenda, it is noted that an issue was raised at the Academic Board's meeting of 4 August 2004 regarding the honours resolutions of the Faculty of Engineering. It has been pointed out that this was clarified at the subsequent meeting of the Academic Board on 15 September 2004 as per the following extract from the minutes of that meeting:

3. Minutes of previous meeting

Item 3 refers

The Chair of Undergraduate Studies (Associate Professor Tony Masters) questioned resolution 167/04 in the August minutes, that the Academic Board defer consideration of the proposal relating to the Bachelor of Engineering pending clarification of matters relating to the award of Honours. Associate Professor Masters advised that his recollection of the previous meeting was that the query regarding honours had been satisfactorily addressed by the Dean of Engineering and that the proposal relating to the Bachelor of Engineering had been supported by the Academic Board.

The proposed amendments to the minutes were put to the meeting and agreed to.

Resolution 191/04

That the Academic Board adopt the minutes of the previous meeting held on 4 August 2004 as a true and accurate record, subject to the following amendments (*deletions struck through, additions underlined*):

Resolution 167/04

That the Academic Board

- (1) recommend that Senate approve amendments to the Resolutions of Senate relating to specialisations in the Bachelor of Engineering;
- (2) approve the proposed amendments from the Faculty of Engineering relating to the Bachelor of Engineering;
- (3) note the Resolutions of the Faculty relating to the above courses, made pursuant to the University of Sydney (Coursework) Rule 2000; and
- (4) approve the faculty requirements relating to specialisations, the Flexible First Year Program and the honours degree, with effect from 1 January 2005, as set out in the report presented.

Action: Dean and Faculty Manager, Faculty of Engineering; and Director, Student Centre to note the Academic Board approval of the Faculty requirements relating to the Bachelor of Engineering.

~~defer consideration of the proposal relating to the Bachelor of Engineering pending clarification of matters relating to the award of Honours~~

~~Action: Chair of the Undergraduate Studies Committee to report on the consistency of the proposed Faculty of Engineering Resolutions with the Academic Board Resolutions: Award of Honours.~~

4. Business arising from Minutes (not dealt with elsewhere in the Agenda)

4.1 Academic Board Resolutions: Award of Honours

Item 3 refers.

Associate Professor Masters reported that at the last Board meeting he had been asked to report on the consistency of the proposed Faculty of Engineering Resolutions with the Academic Board Resolutions: Award of

Honours. He advised that the requirements for the award of degree with Honours in the proposal relating to the Bachelor of Engineering were consistent with the Academic Board Resolutions: Awards of Honours.

Recommendation

That the Academic Board note the report of the Chair of the Undergraduate Studies Committee relating to the honours resolutions of the Faculty of Engineering, as set out in the report presented.

**AGENDA ITEM 10.4
General Business**

10.4 Conferring of All Academic Titles

Every six months the Pro Vice-Chancellors (College) are required to report to the Academic Board on the conferral of all titles within their Colleges.

The Colleges and Faculties have provided information on titles conferred from 1 July 2004 to 31 December 2004.

10.5 Appointment of members of the Student Proctorial Panel

The University of Sydney By-law 1999 provides for the establishment of a Student Proctorial Panel. Membership of the Panel includes nine members of the academic staff (of whom at least three are to be professors and at least three are not to be professors) appointed by and from the members of the Academic Board on the nomination of the Pro Vice-Chancellors (College).

The Pro Vice-Chancellors of each College have submitted the names of the following persons who have indicated their willingness to serve as members of the Panel, and the Board is asked to appoint the persons listed below as members of the 2005 Student Proctorial Panel:

College of Health Sciences	College of Humanities & Social Sciences	College of Sciences & Technology
Professor J Lawler	Professor P Gay	Associate Professor F Ahmadi-Esfahani
Professor B Roufogalis	Dr D Collins	Dr K Bosward
Dr M Torode	Dr J Hughes	Professor L Tong

Student members of the Panel are appointed by and from the student members of the Academic Board. As student membership of the Academic Board has not yet been finalised for 2005, these positions will be filled at a later date.
