中文系校友会 For graduates and friends of Chinese Studies

Dear Friends and Fellow Alumni

Welcome to the Chinese Studies Alumni Association newsletter for 2008. The Association aims to encourage Alumni to maintain contact with the University and each other and to promote the interests of the Department and scholarship in Chinese Studies. We invite you to attend our meetings and functions. If you cannot, we hope you will contact us with your views and news of your endeavours after graduation.

Our first function for the year was a yum cha brunch at East Ocean Restaurant to celebrate the Chinese New Year of the Rat. The event was a great success and attended by several graduates, professors and friends of Chinese Studies.

In June, the Alumni Association and the Chinese Studies Department jointly held a premiere screening of Gao Xingjian's film *Silhouette/Shadow*, which was played to a full theatre and followed by a stimulating discussion. In the past, it has been difficult for our Association to contact Alumni overseas. We have recently set up a Facebook group, which we hope will make it easier for ex-students to keep in touch with each other. This will also be an effective medium for informing local Alumni of upcoming functions.

We are currently seeking students and graduates of the Chinese Studies

Department to come along to meetings and contribute to the future direction of the Association. Our next Council meeting will be early in the new year. Please join the Facebook group to be advised of the venue and time, or check the website closer to the date. All are welcome!

Scheherazade (Cherie) Rogers
President (2007-08)
