Dean’s Farewell Dinner

The Alumni Council of the Faculty of Architecture would like to invite all alumni, donors and friends of the Faculty to a Dinner in honour of Professor Gary Moore, Dean of the Faculty. Gary has worked tirelessly with the Alumni Council to involve alumni in the current and future directions of the Faculty, and we will relish the opportunity to thank him for his support and guidance. Gary, though standing down as Dean at the end of this year, will remain in the Faculty as Disciplinary Head of Environment-Behaviour Studies.

World Habitat Day Lecture
The Everyday, Architecture and Low-Income Communities:
the Museum of Struggle
Professor Jo Noero, University of Capetown, presented a fascinating and erudite talk on the Museum of Struggle and its location in history and in place. He was passionate, committed and controversial!
Genevieve Blanchett, Jason Fraser, Josh Morrin, Lara O’Reilly, Adriano Pupilli gave feedback from their participation in the Global Studio and UIA Congress in Istanbul in July, following A/Professor Anna Rubbo’s thorough briefing on the UN Taskforce and its directions. They all hope to be at Habitat in Vancouver in 2006.

Hon A/Prof John Toon’s Retirement Dinner

John was farewelled in style on 8 September in the Great Hall. Over 275 people attended, including the Chancellor and Mrs Santow, Deborah Dearing, Craig Knowles, Councillor John Mcinerney, Jack Mundey and Tom Uren. Adjunct Professor Mary-Lynne Taylor provided spirited commentary as the MC, and as the wearer of the hat (you had to be there!). Thank you John for your foresight, your commitment and your dedication. We look forward to seeing you even more in the corridors of the Wilkinson Building in your retirement.
