Alumni Association AGM

The Alumni Association Annual General Meeting will be held on Thursday 19 October at 5pm in the ALT1. The Alumni Council is calling for new members. This is your opportunity to become involved in one of the most dynamic alumni groups in the University. Help make a difference to the impact that alumni have on their University. The Alumni Council is particularly interested in broadening their representation and would like to hear from graduates from Facilities Management, Planning, Design Computing, Architectural Science and EBS, and especially younger graduates.

Nominations for Office Bearers are called for and will be received by David Turner until close of business 17 October 2006. More information

Proposed Name Change for Faculty

A vote for the proposed new name of the Faculty will take place on Wednesday 25 October. Read the arguments for and against and lodge your opinion. More Information

Research Carnivale

Please join us for the launch of the Research Carnivàle at the Opening Night Masquerade on Monday 23 October at 5pm for a 5:30 start. The Carnivàle is an event designed to showcase research student work from the Faculty of Architecture.

Drinks and canapés will be served. Arrive wearing a mask! Express your creativity by decorating it yourself as a prize will be awarded for the most original.

When: Monday 23rd October, 2006
Where: The Hearth, Faculty of Architecture, 148 City Rd, The University of Sydney.
Time: 5pm for a 5:30 start.
RSVP: Michaela James michaela@arch.usyd.edu.au
For more details, please see: http://wwwfaculty.arch.usyd.edu.au/kcdc/carnivale/
or email Mercedes Paulini: mercedes@arch.usyd.edu.au

veloCITY

Alumni at Architorture

"Haven't seen you for thirty years!!!!"

Many, many friendships were rekindled (and created) at the Alumni Reunion held on the opening night of the student revue, Architorture. A large crowd gathered for the first annual Alumni Reunion, held in conjunction with the student revue. Huge thanks to Ross Thorn for allowing the viewing of his hysterical (and historical) DVD of the early years of the Architecture Revues.

Continuing Professional Development

CPD and graduate pathways for Design, Construction and Property professionals:
- maintaining professional recognition
- upgrading to a graduate qualification and to enhance competencies
