

Government Information (Public Access) Act 2009

s.27 Register of government contacts - Class 2 Contracts

The University's register of government contracts does not include information about contracts not required to be included under section 32 of the *Government Information (Public Access) Act 2009*.

The register does not include information relating to contracts for research or consultancies carried out by the University for the private sector as that information is commercial-in-confidence as defined in clause 1 of schedule 4 of the Act. Disclosure of the information could also reasonably be expected to prejudice the private sector entity's legitimate business, commercial, professional or financial interests.
