HREC approval is valid for four (4) years from the approval date stated in this letter and is granted pending the following conditions being met:

Special Condition/s of Approval

- Participant Information Statement, Section 9: The Committee suggests summarising this section as it seems too long. You do not need to submit a revised version to the Ethics Office.

- It will be a condition of approval that appropriate permission is obtained from Registrar and DVC (Education) and kept on file as part of your records prior to the relevant part of this research commencing. You do not need to provide a copy to the Ethics Office.

- Please ensure that the initial email is in line with the University’s email privacy policy (e.g. if you are sending one mass email, please use blind carbon copy (BCC) to hide individual email addresses, etc.).
Condition/s of Approval

- Continuing compliance with the National Statement on Ethical Conduct in Research Involving Humans.

- Provision of an annual report on this research to the Human Research Ethics Committee from the approval date and at the completion of the study. Failure to submit reports will result in withdrawal of ethics approval for the project.

- All serious and unexpected adverse events should be reported to the HREC within 72 hours.

- All unforeseen events that might affect continued ethical acceptability of the project should be reported to the HREC as soon as possible.

- Any changes to the project including changes to research personnel must be approved by the HREC before the research project can proceed.

- Note that for student research projects, a copy of this letter must be included in the candidate’s thesis.

Chief Investigator / Supervisor’s responsibilities:

1. You must retain copies of all signed Consent Forms (if applicable) and provide these to the HREC on request.

2. It is your responsibility to provide a copy of this letter to any internal/external granting agencies if requested.

Please do not hesitate to contact Research Integrity (Human Ethics) should you require further information or clarification.

Yours sincerely

Dr Jen Scott Curwood
Acting Chair
Humanities Low Risk Subcommittee
