1. The award of the Language Exchange Scholarship is given on the proviso that you will be using it for the travel and study plans you have provided to us, as well as those provided to the International Office.

2. Important: If your plans change significantly before or after payment, (e.g. you decide not to go, you change the dates of travel to another semester), you may be required to repay the monies. In any case, please advise us immediately.

3. In many circumstances during the tenure of the scholarship and your time overseas, others may see your academic performance, reliability, courtesy and general behaviour not only as personal characteristics, but also as representative of the standards of the University of Sydney. It is your responsibility to be a good ambassador for the University.

4. It is strongly recommended that all students on exchange arrange their own insurance policy prior to leaving Australia. The University’s Public Liability and Professional Indemnity policies is not a comprehensive policy and only covers students while they are undertaking University activities. Please contact the University’s Risk Management section for more details on these policies: [http://sydney.edu.au/audit_risk/insurance/](http://sydney.edu.au/audit_risk/insurance/) or phone (02) 9351 4127.

5. If you are in receipt of Youth Allowance, you should seek caseworker help from SRC: [http://srcusyd.net.au/src-help/](http://srcusyd.net.au/src-help/) They will help you to minimise the impact the scholarship may have on Youth allowance income. You must inform Centrelink that you are going on exchange well before you leave.

6. The Department of Foreign Affairs and Trade (DFAT) issues travel warnings to Australians travelling for non-essential purposes. Student exchange is considered non-essential. Prior to leaving on an overseas trip, reference should be made to the DFAT travel advice: [http://dfat.gov.au/travel/Pages/travel.aspx](http://dfat.gov.au/travel/Pages/travel.aspx) No travel should be undertaken to any area for which a warning advising against travel has been issued.

7. The SLC Language Exchange Scholarship is a Secondary Scholarship. As such, it can be awarded in addition to a Primary Scholarship. However, certain restrictions apply:
   a. The Language Exchange Scholarship cannot be awarded more than once to the same student
   b. The Language Exchange Scholarship cannot be held in conjunction with any other funding from SLC, FASS, and other University of Sydney awards that exceeds $6000. If you are offered another scholarship exceeding $6000, you must choose whether you take this or the Language Exchange Scholarship. In any case, you must tell us if you receive any other scholarship
