Class Reflection Activity

Class Name: ___________________ Class Date: ____/____/________

Class type: lecture / seminar / tutorial / other

What were the desired class outcomes:

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

Describe the class activities:

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

How far were the desired outcomes achieved (and how do I know)?

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

What can I do next or in the future to better achieve my goals?

__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
__________________________________________________________________________

Prepared by Ben Miller for the Faculty of Arts Teaching and Learning Committee,
The University of Sydney, March 2010
List challenges that you encountered during this class, how you responded and what the result of your action was:

<table>
<thead>
<tr>
<th>Challenges encountered</th>
<th>My response</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Was this response effective? Why or Why not?

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Was this response effective? Why or Why not?

List some ways that you might better prepare for class or for your teaching to meet similar challenges?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

To be completed at a later date: How have you altered your preparation for similar classes as a result of your reflection on this class?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

________________________________________________________________________
