Research gone wrong
Wikipedia is not your friend…
Wikipedia is not your friend…
Wikipedia is…

› Evil

› Do not ever use Wikipedia

› The only circumstances under which you should use Wikipedia are
  - Never
  - Nunca
  - Nie
  - 从未
Google is useful, but be aware that we have access to it also…
Doing research badly

Google Scholar is better especially if you use correct citing!
Library services

KAMY OOI
