

University of Sydney Business School Strategic Exchange Partner Scholarship

Conditions of Award 2012

The scholarship shall be awarded under the following conditions:

The scholarships are available to local and international, undergraduate and postgraduate students currently enrolled in a degree under the administration of the University of Sydney Business School and participating in the University of Sydney Exchange Program.

To be eligible for the scholarship, students must be approved by the University of Sydney for at least one semester student exchange at an institution listed as a strategic partner in the semester of the award.

A list of Strategic Partner Institutions will be available 12 months in advance of the exchange session. A list will be provided on the Business School Exchange web page: www.econ.usyd.edu.au/exchange

There are up to four scholarships offered each year, valued at \$4,000 each and tenable for one semester of exchange. The number of scholarships offered each semester may vary according to application numbers taken for strategic partners at the Exchange Office.

Eligible students who have applied to a strategic partner will be reviewed on academic progression in their currently enrolled degree and short-listed students will be invited to apply. Selection will be based on participation in University life and motivation for attending exchange.

Successful applicants will receive their scholarship offers in postal mail and via email and payment will be made in January for semester 1 participation and August for semester 2 exchange participants.

If the Strategic Exchange Partner Scholarship funds are not fully allocated, the remaining funds will be allocated under the Student Exchange Travel Scholarship scheme which runs concurrently with these awards.

Scholarship recipients must enrol full-time and meet the conditions of their degree program and exchange arrangements during the tenure of the scholarship or are liable to repay the scholarship funding. Requests to suspend the scholarship offer will only be approved under exceptional circumstances such as a severe medical condition which limits the student's capacity to undertake the exchange. Such requests must be supported by the Dean of the Business School.

The scholarship is offered for, and is tenable in, a specific degree program and is not transferable to another degree program.

Recipients of this scholarship are not eligible to hold any Business School Scholarships for the purpose of exchange. Recipients of this scholarship may be eligible for other University awards for the purpose of exchange, pending the terms and conditions of that award.
