Please Note. This program of study is meant to be a guide only. Students may be able to undertake the required units of study for these specialisations in different sequences to that listed above. Students should also note that this example has been developed using 2012 offerings of units of study and there is no guarantee that the units of study listed above will be offered in the same semesters in the years after 2012. Units of study listed above may also be available in the Summer or Winter School sessions.

This information is correct as of the 8/09/2011. Students are advised to check the [University of Sydney Business School website](#) or [handbook](#) for the most up-to-date information regarding units of study availability and requirements.
