**Brief Synopsis of position**

In partnership with CPA Australia, the National Institute of Accountants (NIA) and the Institute of Chartered Accountants in Australia (ICAA), the Professional Year/SMIPA program has been designed principally for international students graduating from Australian institutions in the field of Accounting. The focus of the Professional Year is on enhancing the employability skills of Accounting graduates by combining a mix of classroom based learning, industry networking and internship experience. Successful completion of the program provides recognized migration points towards Australian permanent residency applications.
