Brief Synopsis of position

**Ever wondered...**  
What the 500 million Facebook users are talking about?  
What consumers think, *subconsciously*, about a new product?  
How many people tuned into The Block last night and what they thought?

**Do you want to work for a company ...**  
That is trusted by industry leaders?  
Where your ideas are encouraged and rewarded?  
That develops their people and takes them places?

So many questions... **Nielsen has the answers.**

Nielsen is a leading global provider of insights into what consumers watch and buy, and is behind some of the world's most successful brands, products, and experiences that impact your life everyday. As a graduate at Nielsen, you will have the opportunity to influence products, services and experiences which span multiple industries. Together with your team you will impact what and how the world sees, eats, cooks, drives, shops, reads, web-browses, wears and does everyday.

Our insights help our clients to address key strategic and tactical business issues. You will be mentored by our respected senior leaders, who will show you how, and with offices in over 100 countries Nielsen offers exciting long term career opportunities.

By working at Nielsen, you'll be helping clients to understand their customers in a way that no other company can.

Candidates must have completed a university degree in the last two years and have the permanent right to work in Australia.
