About RB

RB* is the world’s leading consumer health and hygiene company. The company has operations in over 60 countries, with headquarters in London, Dubai and Amsterdam, and sales in almost 200 countries. The company employs approximately 37,000 people worldwide.

With a purpose of delivering innovative solutions for healthier lives and happier homes, RB is in the top 20 of companies listed on the London Stock Exchange. Today it is the global No 1 or No 2 in the majority of its fast-growing categories, driven by an exceptional rate of innovation. Its health, hygiene and home portfolio is led by 19 global Powerbrands of Nurofen, Strepsils, Gaviscon, Durex, Scholl, Clearasil, Dettol, Veet, Harpic, Bang, Mortein, Finish, Vanish and Air Wick. 80% of core revenues came from the health and hygiene categories of the portfolio.

Fuelled by a new breed of talent who blend intellectual curiosity with commitment to the highest standards, RB is set to redefine the world of consumer health and hygiene. RB people and its culture are at the heart of the company’s success. They have an intensive drive for achievement and a desire to outperform wherever they focus, including sustainability where the company is targeting a 1/3 reduction in water impact, 1/3 reduction in carbon and to have 1/3 of its net revenue coming from more sustainable products by 2020.

Our Internship Program

Our Commercial Internship Program is designed to provide successful candidates with the opportunity to learn and develop their skills, by working on specific Sales or Marketing based projects with real timelines and delivery expectations – giving them real responsibility from Day 1 of their placement. Our Internship program offers:

- Rotational program through both Sales & Marketing
- Potential for fast tracked progression straight into the graduate program
- Excellent practical learning & activity, supported by global development programs
- Mentor and buddy support

Upon successful completion of the internship, candidates may be offered a role on our Commercial Graduate Development Program, commencing at degree completion, which offers challenge and development within our Sales and Marketing teams, and provides real responsibility from day one.

Do you want to contribute to the future success of the world’s fastest growing FMCG Company? Thrive in a game changing environment of high autonomy and accountability? The RB internship program will give you a taste of what's to expect and provide you with a springboard of challenge, opportunity and individual freedom. What happens next is up to you.

Essential Requirements

- Final or penultimate year student, seeking a graduate program commencement in 2017 or 2018
- On track to complete your degree with a minimum Credit average
- Citizenship or Permanent Residency in Australia or New Zealand
- Available to start work immediately on a minimum 10 week long placement
How to Apply

If you thrive in a game changing environment of high autonomy and accountability, and are keen to be at the heart of the fastest growing health and hygiene business, please submit your application including resume and university results to anzrecruitment@rb.com.
