the Women's College, St. Andrew's College and Wesley College Foundation
INDIGENOUS AUSTRALIAN SCHOLARSHIP**

In 2012 the Business School at the University of Sydney will offer an Indigenous Australian Scholarship in partnership with the Women's College, St Andrew's College and Wesley College Foundation to support a student studying in the Business School and residing at Wesley College, St. Andrew's College or the Women's College.

1. The scholarship to be awarded in 2012 is tenable for up to 4 years for an Indigenous Australian student:
 - who will be enrolled with the Business School at the University of Sydney in an undergraduate or postgraduate degree
 - who will be a resident at the Women's College, St Andrew's College or Wesley College
 - who, has financial disadvantage and demonstrates a potential to succeed in an area of study taught within the Business School.

2. The scholarship will be for full payment of college fees which includes accommodation and meals. Alternatively, for those students who have their fees paid by another grant or scholarship (e.g. ABSTUDY) the scholarship can be taken as a \$6,000 grant from the respective College (of the Women's College, St. Andrew's College or Wesley College) and the Business School toward living expenses (if taken as grant, a payment of \$3,000 will be made at the start of each semester).

NB. Students with alternative accommodation arrangements (that is, not residing at one of the partner residential colleges) are also eligible to apply and will be considered for a Business School \$6,000 p.a. grant, in the event that a scholarship could not be awarded to applicants from the participating residential colleges.

3. Under normal conditions, there are up to two scholarship recipients each year. To continue to receive the Scholarship, the recipient must be enrolled full-time for the normal duration of the degree and maintain satisfactory academic progress.

4. The scholarship will be awarded by the Business School and by the respective Hall of Residence of the Women's College, St Andrew's College or Wesley College in consultation with the Koori Centre at Sydney University.

5. **CONFIRMATION OF INDIGENOUS DESCENT** - please attach your confirmation to this application. As this scholarship is specifically for Indigenous Australians, **applicants are also required to provide confirmation that they are of Australian Aboriginal or Torres Strait Islander descent.** This confirmation can be in the form of a letter of identity from your local Land Council, Legal Service, Medical Service, or other official Aboriginal or Torres Strait Islander organisation, or a Statutory Declaration. The Koori centre also has applicants complete a 'Proof of identity' check (to establish Indigenous descent).
