ALUMNI REUNITED

More than 55 alumni from the 1955–1965 graduating years gathered for the inaugural Faculty sponsored reunion on the 15th October. The reunion was held in the Refectory of

the Holme Building – originally the home of the University Student Union.

The reunion, initiated by Mike Crivelli (BEc '63) and Phil Harry (BEc '60), featured an address by alumnus, Campbell Anderson (BEc '65), on the highly relevant issue of climate change as well as an entertaining comedy routine by comedian, Rhys Muldoon.

The Faculty would like to support more reunions for our alumni and encourages you to contact our Alumni Relations Manager, Kim Lockwood, who can offer assistance in coordinating such an event.

ON THE WATERFRONT

THE SECOND "CONNECT over Cocktails" event for 2008 was

held in the Waterfront Restaurant at Campbell's Cove, Sydney in late October. More than 150 alumni joined the event to hear an address from alumnus, David Mortimer AO (BEc Hons '70), on "Surviving Government reviews on Export Policy and Defence Procurement".

A wide cross section of graduating years joined the function to reconnect with the Faculty, catch up with friends and meet new acquaintances. The "Connect over Cocktails" networking function will be hosted for alumni biannually, at various venues across the Sydney CBD, with the hope of expanding this to other domestic and international locations in the future.
