Operations Management and Decision Sciences major

For students who commenced in 2009, 2010 or 2011

For an Operations Management and Decision Sciences major students are required to complete 48 credit points in units of study (including 36 credit points in senior units) comprising:

(i) Two junior units of study (12 credit points):
- ECMT1010 Business and Economic Statistics A (6 credit points)
- ECMT1020 Business and Economic Statistics B (6 credit points)

(ii) Four compulsory senior units of study (24 credit points):
- ECMT2620 Management Science (6 credit points); OR QBUS2310 Management Science (6 credit points)
- ECMT2630 Managerial Decision Making (6 credit points); OR QBUS2320 Methods of Decision Analysis (6 credit points)
- ECMT2640 Operations Management (6 credit points); OR QBUS2330 Operations Management (6 credit points)
- ECMT3610 Management Science Models and Methods (6 credit points); OR QBUS3310 Advanced Management Science (6 credit points)

(iii) At least 12 credit points in senior elective units of study selected from the following options:
- ECMT2110 Regression Modelling (6 credit points)
- ECMT2120 Analysis of Discrete Choice Data (6 credit points)
- ECMT2130 Financial Econometrics (6 credit points)
- ECMT3110 Econometric Models and Methods (6 credit points)
- ECMT3120 Applied Econometrics (6 credit points)
- ECMT3130 Forecasting for Economics and Business (6 credit points)
- ECMT3180 Business Risk Management (6 credit points); OR QBUS3810 Business Risk Analysis (6 credit points)
- ECMT3640 Project Planning and Management (6 credit points); OR QBUS2350 Project Planning and Management (6 credit points)

Note: Senior units of study can only be counted towards one major. Senior units cannot be "double counted" towards two majors. For example, ECMT2110 cannot be counted towards both a major in Operations Management and Decision Sciences and a major in Econometrics.

For further details regarding this major, please refer to the handbook of the year you commenced your degree.
Operations Management and Decision Sciences extended major

For students who commenced in 2009 or 2010

For an Operations Management and Decision Sciences extended major students are required to complete 60 credit points in units of study (including 48 credit points in senior units) comprising:

(i) Two junior units (12 credit points): ECMT1010 and ECMT1020
(ii) Four senior units (24 credit points): ECMT2620 (or QBUS2310), ECMT2630 (or QBUS2320), ECMT2640 (or QBUS2330) and ECMT3610 (or QBUS3310)
(iii) At least 36 credit points in elective senior units of study selected from those offered for the single major. (see above)

For further details regarding this major, please refer to the handbook of the year you commenced your degree.
