Notes

- i. For a major in Linguistics, students complete 12 credit points in junior Linguistics units and 36 credit points in senior Linguistics units of study (including 12 credit points from any of the following units LNGS2602, LNGS2603, LNGS2604, LNGS2620, LNGS2621, or LNGS3601). For full details of these majors, please refer to the [Faculty of Arts and Social Sciences handbook](#).
- ii. Senior units can only count towards the requirements for one major.
- iii. This program of study is meant to be a guide only. Students are able to undertake the required units of study in different sequences to that listed above. Students should note that this example has been developed using 2012 unit of study offerings and there is no guarantee that the units listed will be offered in the same semesters in subsequent years.
- iv. Certain units of study listed above may also be offered in Summer or Winter School sessions.
- v. In this example, Econometrics units are used to count towards the Commerce requirements of the combined degree (Business School).

This information is correct as of the 23 January 2012. Students are advised to check the [University of Sydney Business School website](#) for the most up-to-date information regarding units of study and other requirements for the degree and majors.
