Notes

- i. The Econometrics major is offered through the School of Economics in the Faculty of Arts and Social Sciences.
- ii. Senior units can only count towards the requirements for one major.
- iii. This program of study is meant to be a guide only. Students are able to undertake the required units of study in different sequences to that listed above.
- iv. Students should note that this example has been developed using 2012 unit of study offerings and there is no guarantee that the units listed will be offered in the same semesters in subsequent years.
- v. Certain units of study listed above may also be offered in Summer or Winter School sessions.

This information is correct as of the 5 September 2011. Students are advised to check the [University of Sydney Business School website](#) for the most up-to-date information regarding units of study and other requirements for the degree and majors.
