3. The scholarships are valued at $2,000 each and tenable only during the student's first semester participating on exchange. Up to five scholarships are available each year. An additional scholarship place may be offered at the Program Director's discretion.

Semester 1 departing students are expected to receive payment between February to March.

6. The scholarship is offered for, and is tenable in the Master of Management CEMS degree and is not transferable to another degree program.

Such requests must be supported by the Program Director, Master of Management (CEMS).

8. Scholarship recipients must enrol full-time and meet the conditions of their degree program and exchange arrangements during the tenure of the scholarship or are liable to repay the scholarship funding.
