Notes

- i. For a major in Sociology, students complete 12 credit points in junior units (SCLG1001 and SCLG1002) and 36 credit points in senior units of study (including SCLG2601 and either SCLG2602 or SCLG3603). For full details, please refer to the [Faculty of Arts and Social Sciences handbook](#).
- ii. For a major in Social Policy, students complete 12 credit points in junior units (SCLG1001 and SCLG1002) and 36 credit points in senior units of study (including SCPL2601, SCPL2602, SCLG2611, SCLG2601 and either SCLG2602 or SCLG3603). In this example, SCLG2601 and SCLG2602 are completed for the Sociology major, so students would replace these units with two additional Social Policy senior electives to meet the requirements of this major. Students can count SCLG and SCPL electives to either Sociology or Social Policy but not both majors – students must complete 36 credit points in senior units for each major. For full details of these majors, please refer to the [Faculty of Arts and Social Sciences handbook](#).
- iii. This program of study is meant to be a guide only. Students are able to undertake the required units of study in different sequences to that listed above. Students should note that this example has been developed using 2012 unit of study offerings and there is no guarantee that the units listed will be offered in the same semesters in subsequent years.
- iv. Certain units of study listed above may also be offered in Summer or Winter School sessions.
