## Scholarship Program – KPMG Sydney

KPMG is excited to offer a new *Scholarship Program* to first year university students in Sydney that are studying a Bachelor of Business or Commerce degree majoring in Accounting, and are interested in pursuing their studies and a long-term career in accounting.

If you successfully secure a place in our *Scholarship Program* you will:

- Receive financial assistance while you study full-time in the form of a scholarship grant of \$10,000 per year for two years, paid during the semester;
- Gain valuable experience through vacation work in our Audit or Middle Market Advisory practice during university breaks;
- Receive a KPMG laptop to assist with your studies.

To be eligible to apply for the program you must:

- Study a single Business or Commerce degree majoring in Accounting at a university in New South Wales;
- Be willing to complete a minimum of seven weeks vacation work with the Audit or Middle Market Advisory practice in your summer vacation at the end of your second year and spend an additional two weeks during your winter vacation in the third year of your tertiary studies;
- Be committed to joining KPMG as a graduate at the completion of your tertiary qualification and remaining with the firm for a minimum of 3 years.

*What are we looking for?*

We are looking for students with exceptional academic results, demonstrated leadership and teamwork qualities, excellent interpersonal skills including outstanding written and verbal communication skills and a strong career focus.

*What are the benefits of completing KPMG's Scholarship Program?*

The benefits include experiencing university life as a full time student, obtaining financial support and valuable paid work experience, and you will receive a guaranteed graduate position upon satisfactory completion of your degree and vacation placements with KPMG.
