| Venue:                | Royal Australasian College of Physicians Education Centre
                        | Level 8, 52 Phillip Street, Sydney |
| Cost:                 | Full delegates - $110 + GST
                        | Students - $55 + GST               |
| Inclusions:           | Coffee and tea, morning tea and lunch are included in the registration fee |
| Registration deadline:| Friday 25 July 2008                |

9.00 am  **WELCOME** from Prof Bruce Armstrong, Chair, Cancer Research Network, Professor of Public Health and Medical Foundation Fellow, University of Sydney

9.00am  **Dr Nat Rothman**  
Senior Investigator  
National Cancer Institute, USA  
*From candidate genotyping to genome-wide scans*

10.00am  **Dr Qing Lan**  
Investigator  
National Cancer Institute, USA  
*Genetic interactions with environmental and occupational carcinogens*

10.30am  **Dr Sophia Wang**  
Investigator  
National Cancer Institute, USA  
*Predicting NHL survival - potential utility of common genetic variations*

11.00am  **Morning tea**

11.30am  **Dr Mark Purdue**  
Research Fellow in the Division of Cancer Epidemiology and Genetics  
National Cancer Institute, USA  
*Sun exposure, vitamin D receptor gene polymorphisms non-Hodgkin lymphoma*

12.00pm  **Dr Lindsay Morton**  
Investigator, Radiation Epidemiology Branch  
Division of Cancer Epidemiology and Genetics  
National Cancer Institute, USA  
*Studying genetics from the epidemiologic perspective*

12.30pm  **Dr Angie Brooks-Wilson**  
Head, Cancer Genetics Laboratory  
Canada's Michael Smith Genome Sciences Centre  
*Genetics of Healthy Aging*

1.00pm  **Lunch**

2.00pm  **Finish**
