APPLICATION FOR CHANCELLOR’S COMMITTEE GRANT

Applicants should note that supported projects must be of University-wide significance. We do not normally fund salaries, per diems, visits by overseas scholars, publication of theses, attendance at conferences, conference organization, conference publications, and capital works of an infrastructure type. Examples of projects for which funding will be considered include scholarships, conservation of objects and buildings, and relevant scholarly, cultural and other activities of University-wide significance.

1. Full name and academic status of applicant(s)
………………………………………………………………………………………………………………………
………………………………………………………………………………………………………………………
Email: ..............................................................Tel:.............................. Fax:...............................

2. Name of Dept/School/Faculty where project would be undertaken:
………………………………………………………………………………………………………………………

3. Project for which funding is requested: ........................................... ...................................……………………..
………………………………………………………………………………………………………………………
………………………………………………………………………………………………………………………
………………………………………………………………………………………………………………………

4. Total cost of project: ................................................................................................ ...............………………….

5. Amount requested in this application: .................................................................................……………… …….
(The Committee is more ready to accept projects if the applicant has also arranged significant funds from other sources.)

6. It is expected that funds will be requested:
☐ Once only ☐ Annually ☐ Other intervals: .................................

7. Duration or date of completion of project: ..................................... .....................................…………………….
The Committee may require grantees to provide an acquittal of this grant following completion of the project

8. List quotations received for project (and attach copies):
(a) .................................................................................................................………………
(b) ......................................................................................................................... ..........................………………
(c) ......................................................................................................................... ..........................………………
9. Details of how grant will be used. Set out components as applicable:
....................................................................................................................................................................................
....................................................................................................................................................................................
.......................................................................................................………………………………………………

10. How will this project benefit:
(a) The University? ..................................................................................................................................................................  
....................................................................................................................................................................................
....................................................................................................................................................................................

(b) The Faculty/Department?
....................................................................................................................................................................................
....................................................................................................................................................................................
....................................................................................................................................................................................

11. Have applications for funding been made to other sources? .........................................………………………..
If so, state source and result.
Source: .............................................................................................................................................. Result: ......................................................................................
..............................................................................................................................................  ......................................................................................
..............................................................................................................................................
..............................................................................................................................................

12. Attach copies of all supporting data: photographs, plans etc.

13. Details of how any grant in support of this project will be publicly acknowledged.

14. In the event of approval, to which account number should the money be transferred?

Signed: ........................................................................................  Date: ..........................

If insufficient space has been provided, attach additional sheets.

The Application Form and any attachments should be forwarded the Secretary, Dr Glena Ellitt  
Email: the.cc@sydney.edu.au

The Chancellor’s Committee considers applications at general meetings, in February, May, August and November. The closing dates for grant applications are in December, March, June, September, respectively. The Secretary can provide exact closing dates on request.
