China Studies Centre (CSC) Research Grant Scheme Short-term Visitor (Outgoing) Facilitation Grant Guidelines

The CSC will cover some of the costs associated with academic staff being hosted by another institution (domestic or international) in order to build institutional relationships which strengthen the study of China. Applicants must submit a copy of the invitation letter from their proposed host institution along with their application. The funding can be used towards agreed expenses as outlined in the application such as airfares, accommodation and meals (NB: per diems will not be funded).

Grants of up to $10,000 may be awarded for a single application. Preference will be given to funds matched or exceeded by a third party, which may be internal or external to the University of Sydney.

Eligibility and Conditions
Applicants may only submit one application to this scheme per calendar year. Recipients of funding must:

- present outcomes of their research with their host institution in a CSC monthly seminar;
- provide a completion report within three calendar months of the visit;
- submit a copy of reports they have submitted to the CSC if they have previously been the recipient of CSC funding;
- provide a financial report from the University’s Planning and Reporting finance system outlining expenditure of awarded funds.

The CSC must be referenced in any events occurring in association with, or any publications resulting from, the visit. The recipient of funding must also provide content for the CSC website as well as a blog post relevant to the visit and engage with the media (if applicable).

Criteria for Award
The applications will be assessed by the CSC Research Committee using the following criteria:

- submission of an invitation letter from host institution;
- applicant’s track record relative to opportunity;
- expected outcomes resulting from the visit;
- robustness of the plan of the visit;
- applicant’s demonstrated service to the CSC.

It should be noted that preference will be given to applications:

- with a preferred partner of the University;
- submitted by early career researchers;
- that demonstrate that the visit is receiving funds from a third party which match or exceed the amount requested;
- demonstrate a cross-disciplinary element.
