Chaplains are professional women and men who provide spiritual support and pastoral care to students and staff on campus. They are appointed by their faith community and are officially recognised by the University.

The roles of the chaplains are to:

- provide support during times of personal crisis
- provide opportunities for workshop and prayer
- conduct weddings and funerals
- nurture faith and provide spiritual direction
- organise groups for discussion and support
- work closely with particular student groups.

Some of the chaplains are based at the Multifaith Chaplaincy Centre. For more information, visit
