

## The University of Sydney Law School Postgraduate Lecture Timetable 2024

### CONDITIONS OF ENROLMENT

Despite any publication or announcement, the University may change or cancel arrangements for courses or units of study, including in respect of staffing, content or location. The University will use reasonable endeavours to update the timetable with respect to any cancellation or change. The University will not be liable to any student for any consequential loss suffered as a result of cancellation or change, including travel or other costs incurred. For further information, please refer to [Student Responsibilities](#)

### SEMESTER DATES

Semester	Semester start date	Last day of semester
1	Monday 19 February	Sunday 26 May
2	Monday 29 July	Sunday 3 November

Please see inside for dates of intensive units of study

### TEACHING FORMAT

Teaching format	Class hours	*Duration	*Class times
Semester-length	26 hrs	1 x 2hr seminar/week	6pm-8pm
Intensive Mode	26 hrs	4 to 5 days	9am-5pm

\*Classes will generally be taught at the above times unless specified otherwise in this timetable.

### ATTENDANCE PATTERN

A master's degree comprises 48 credit points and 24 credit points for a graduate diploma. Units of study are weighted 6 credit points unless specified otherwise. *Part-time* students may enrol in up to 12 credit points per semester. *Full-time* students must enrol in at least 18cp but no more than 24 credit points per semester (student visa holders must enrol in 24 credit points per semester). A student is expected to enrol in units of study with a total value of no more than 24 credit points per semester. A student should seek advice from the Associate Dean (E: [law.postgraduate@sydney.edu.au](mailto:law.postgraduate@sydney.edu.au)) before enrolling in more than 24 credit points per semester.

### ATTENDANCE REQUIREMENTS

All timetabled classes, activities and supervised assessments such as tests and exams are held on campus. Access to classes and reading materials are available to students who are formally enrolled in the unit. To satisfy the pass requirements for each unit of study, students are required to attend at least 70% of classes (Sessions S1C and S2C) and 100% for classes delivered in an intensive format. Students with an unsatisfactory attendance record may be refused permission to undertake assessment tasks. If you miss a class due to extenuating circumstances beyond your control (the misreading of the timetable or timetable clashes are not acceptable reasons), please notify your [Unit Coordinator](#) (or the [Education Support Team](#)) by email in a timely manner or as soon as practicable. If you do not expect to meet the class attendance requirement or available to complete all assessment tasks, please [discontinue the unit of study](#) before the start of classes or no later than the census date to avoid incurring a full fee liability and academic penalty.

### INTENSIVE UNITS OF STUDY

#### Enrolment

Students must not attempt to enrol or attend classes where an intensive unit is full or have already commenced. If you are encountering enrolment issue in [Sydney Student](#), please submit a [Unit of study selection issue form](#) to [Faculty Services](mailto:Faculty.Services@sydney.edu.au) well in advance of the first class.

International students must familiarise themselves with enrolment conditions (particularly enrolment in early/late intensive sessions) outlined at [Student Visa Conditions](#) or please contact Student Compliance [student.compliance@sydney.edu.au](mailto:student.compliance@sydney.edu.au)

#### Timetable

##### Misreading the Timetable

It is the student's responsibility to diarise their class dates and ensure they attend classes at the scheduled times. The class dates are published on this timetable, Sydney timetable and your Canvas unit site.

##### Class Timetable Clashes

Students must select classes which do not conflict with other classes. If you have a timetable clash, please enrol in an alternative unit.

The misreading of the timetable or choosing units with class timetable clashes are not acceptable reasons for class absences.

If you do not attend classes, you may fail the class attendance requirement leading to receiving an ["Absent Fail" \(AF\)](#) grade and incurring a full liability if you do not [withdraw by the census date](#). Refer to "Attendance Requirement".

#### Publication of Grades

Grades of all postgraduate law units of study, including early intensive units, are published in Sydney Student at the end of the semester around mid-July (Semester 1) and mid-December (Semester 2). Visit [Guides to grades](#).

Assessments of the late intensive units may take place later in the semester. The grades may be released after the university published date. Unit coordinators will communicate the expected grade release date with the class via Canvas announcements.

The final assessments of intensive units are generally due within 4 to 6 weeks from the last date of class. Please factor in the late assessment submission dates and marking period when planning your studies, graduation, student visas and personal/work commitments. It may be necessary to enrol in earlier intensive units. The actual assessment due dates will be published in your [unit outline](#) (available about 2 weeks prior to the first class).

#### LAST DAY TO WITHDRAW FROM A UNIT OF STUDY

100% tuition fee liability or FEE-HELP debt will incur after the relevant [withdrawal census date](#). No refund is payable for withdrawal requests received subsequent to the census date. Sydney Law School requests students intending to withdraw from an intensive unit of study to do so no later than the close of business on the first day of classes.

## CLASS SIZE-RESTRICTED AND CAPPED UNITS

In the case where class size is restricted or enrolments in a particular unit is capped due to high demand, please submit a **Departmental Permission (DP)** request to [Faculty Services](#) in [Sydney Student](#) (select 'My studies', then 'Units of study'). Please do not request permission from the unit coordinator. Students will be notified of the outcome at their university email address. Priority will be given to eligible students who are enrolled in a Sydney Law School master's degree or graduate diploma on a first come first served basis. It is strongly recommended that students finalise their enrolment in units of study as soon as possible to avoid disappointment.

## ENROLMENT IN NON-SPECIFIED UNITS

Students enrolled in the Master of Laws and Graduate Diploma in Law may choose most units of study offered within the Sydney Law School postgraduate program (unless specified otherwise). In special cases, students enrolled in a law specialist course may apply for permission to enrol in a unit of study offered within another Sydney Law School master's degree (up to 12 credit points for a master's degree and 6 credit points for a graduate diploma). Students must complete at least 50% of units of study prescribed for their award course. Please review the eligibility criteria in the [University of Sydney Law School Resolutions](#). To apply, please visit ["Non-Specified Units of Study" in Your Studies](#).

## OFFSHORE UNITS OF STUDY

Each year Sydney Law School offers a number of postgraduate offshore units of study in Asia and Europe. To register, please visit [Offshore Study](#). Please do not attempt to enrol in Sydney Student until your registration is approved by the Law School. It is the responsibility of students to ensure their studies are not interfered by planned commitments. Planned travel is not a reason for the granting of [special consideration or special arrangement](#)

## TAXATION LAW UNITS

It is assumed that students undertaking specified tax units have an understanding of Australian income taxation law commensurate with that, which would be obtained from completing undergraduate study in Australian taxation law or five years working with Australian taxation law in a law or accounting practice, in an industry role, or in the Australian Taxation Office. Students who do not have such knowledge or work experience should undertake *LAWS6825 Introduction to Australian Business Taxation* before enrolling in other units.

## NON-SYDNEY LAW SCHOOL LECTURE TIMETABLES (MALP, MIL, MLLR)

Students should consult with the relevant Faculties regarding their non-Law elective timetables.

## UNIT OUTLINES AND READING GUIDE

Unit outlines and reading guides are generally available in [Canvas](#) approximately 2 weeks prior to the first class. Canvas access is available to students who are formally enrolled in the unit. If you are correctly enrolled in a unit in [Sydney Student](#), but experiencing problems with Canvas access, please contact the [Law Education Support Team](#). Please note it may take up to one day before your Canvas site is activated after completing your enrolment in Sydney Student. Past unit outlines are available at [Find a unit outline](#)

## Continuing Professional Development
