# Inspired Giving 2015

Donor honour roll

In recognition of our supporters

## **Thank you to all our donors**

The University of Sydney's honour roll recognises the alumni, friends, organisations, foundations, individuals and estates who gave their generous support during 2015.

We would also like to acknowledge the many anonymous donors who contributed to our success.

We are profoundly grateful for your confidence in us and your belief in our work.

# Foundations

Foundations work in close association with faculties to provide support for teaching and research. Sometimes they are specifically aligned with departments or research centres.

The support of foundations is a crucial element in fostering new initiatives at the University and this assistance will continue to be important in a time of decreasing government funding for the university sector.

For information about the governance of foundations, please refer to the Office of General Counsel.

## 2015 foundations include

Accounting Foundation  
Australian Lebanese Foundation
