APPLICATION FOR REFUND OR REMISSION OF HELP DEBT IN SPECIAL CIRCUMSTANCES.

Please note: This form is for domestic students ONLY (International Students, please apply to your faculty)

**WHO SHOULD COMPLETE THIS FORM?**

You should use this form if the census date has now passed and you were unable to continue with your studies because of special circumstances. Due to these circumstances, you have either officially discontinued your enrolment or have not successfully completed the requirements for one or more units of study. As a result of these special circumstances, you are now requesting either a refund of fees paid or remission of a HECS or FEE-HELP debt.

**Important to note:**

- This application will **not** remove any academic penalty for your unit(s). You must apply directly to your faculty for amendment of results.
- You cannot apply for a re-credit, remission or refund if you have successfully completed your unit/s of study. If you withdrew from your course/unit/s of study before the census date, you have **not** incurred a debt for the particular semester and you **should not** lodge this application. For a refund of overpaid fees, contact Financial Control and Treasury on (02) 9351 5222 or follow the link: [http://sydney.edu.au/study/finances-fees-costs/fees-and-loans/paying-your-fees.html](http://sydney.edu.au/study/finances-fees-costs/fees-and-loans/paying-your-fees.html)
- Student Service and Amenities fee (SSA fee) legislation does not permit providers to remit SA-HELP debts incurred by students. Students who paid their SSA fee upfront will also **not** be eligible for a refund according to University policy.
- In order to apply for a refund of your student contribution amount or tuition fees paid, you must first have paid these fees to the University.

**APPLICATION PERIOD**

Your application MUST reach the Domestic Compliance, HECS and Fees office of the Student Centre within 12 months from the day you officially discontinued your studies; official discontinuation means you have advised the faculty, in writing, and have been granted a DC or DF **prior to the end of the relevant semester**. If you did not officially discontinue your unit/s (i.e. you have not advised the faculty and have received an AF or F grade) your application MUST reach the Student Centre within 12 months from the **end of the semester in which you were enrolled in the unit/s**. These arrangements apply to both standard and non-standard semesters/sessions (applications for Sydney Summer/Winter School units are to be made directly to the Summer/Winter School).

**Important note:** Applications received after this period MAY NOT be considered.

**WHAT SPECIAL CIRCUMSTANCES ARE ACCEPTED?**

Each application will be examined and determined on its merits together with the provided independent supporting documents. These documents must demonstrate that the special circumstances that apply were:

1. **beyond your control**
   - i.e. a situation occurs which a reasonable person would consider is not due to the person's action or inaction, either direct or indirect, and for which the person is not responsible. The situation must be unusual, uncommon or abnormal **AND**

2. did not make their full impact on you until on or after the census date; i.e. your circumstances occurred:
   - before the census date but worsened after that date, or
   - before the census date, but the full impact or magnitude did not become apparent until on or after that day, or
   - on or after the census date **AND**

3. made it impracticable for you to complete the course requirements; i.e.
   - undertake the necessary private study required, or attend sufficient lectures or tutorials or meet other compulsory attendance requirements, or
   - complete the required assessable work, or
   - sit the required examinations, or complete any other course requirements.

**Important note:** Special Circumstances do not include a lack of knowledge of the Higher Education Support Act 2003 (HESA), Local Fee Paying regulations or understanding of the University’s enrolment procedures.

**EXAMPLES OF SPECIAL CIRCUMSTANCES**

**Medical reasons**

Where your medical condition existed prior to the census date, continued past that date and deteriorated to the extent that you are unable to continue your studies OR your medical condition only became known after the census date.

**Family/personal reasons**

Due to unforeseen personal/family reasons that are beyond your control you are unable to continue with your studies.

**Employment related reasons**

Where your employment status or employment arrangements change unexpectedly due to circumstances beyond your control and you are unable to complete your studies.

**Course related reasons**

Where your Faculty changes the arrangements for your unit or course and as a result you are disadvantaged to the extent that you are unable to complete the requirements of the course and continue with your studies.
SUPPORTING DOCUMENTATION

Your application will be considered on its merits in conjunction with the supporting documentation you provide. Your supporting documentation should provide sufficient details for the Domestic Compliance, HECS and Fees office to make an informed decision regarding your case.

It is most important that you provide independent supporting documentation to support your claims. It is inadequate to provide only a personal statement outlining your special circumstances. Depending on your reasons for applying, you may also need to provide a statement from a doctor, counsellor, employer or your Faculty to verify your claims. Statements or letters from a member of your family or another student is not considered independent.

Important note: If your application includes a Professional Practitioner Certificate(s) as supporting documentation, you will need to also provide a letter from the doctor/counsellor outlining the details of the certificate(s) that are relevant to this process. A Professional Practitioner Certificate is not sufficient independent supporting documentation as these are solely used to assess a student’s academic performance.

Your documents must be originals or certified copies.

Supporting documentation should include for medical reasons a statement from your doctor, for family reasons a statement from a doctor, counsellor or independent member of the community (e.g. Justice of the Peace or a Minister of Religion) indicating:
- the date your medical condition / personal circumstances began or changed;
- how your condition affected your ability to study;
- when it became apparent that you could not continue with your studies

For employment-related reasons a statement from your employer indicating:
- your previous work hours and location;
- your current work hours and location and
- the reason for changed hours and location.

For course-related reasons a statement from your Faculty indicating:
- that you have been disadvantaged by changed arrangements to your unit of study/course and that it was impossible for you to undertake alternative units of study or courses.

APPLICATION PROCESS

1. Complete the attached application form and submit with your independent supporting documentation either in person or by post, to:
   By Mail: Domestic Compliance, HECS and Fees office
   Student Centre
   Level 3, Jane Foss Russell Building, G02
   The University of Sydney NSW, 2006
   In person: Student Centre, Level 3, Jane Foss Russell Building – G02

   Faxed or emailed applications will not be accepted.

2. Within several days of receipt of your application, the Domestic Compliance, HECS and Fees office will post an acknowledgment to the address on the application. If you do not receive acknowledgement of your application within two weeks of application lodgment, you should contact the Domestic Compliance, HECS and Fees office. You should generally allow 3-5 weeks for your application to be processed.

3. The decision to approve or not approve your application will be considered principally on the basis of the independent supporting documentation submitted. It is your responsibility to ensure all relevant documentation is provided to the Domestic Compliance, HECS and Fees office.

4. You will be advised in writing of the decision made. If you are not satisfied with the decision, you may apply in writing for a review. Your application for review must be sent to the Domestic Compliance, HECS and Fees office within 28 days of receiving the original advice. You must state the reason why you are applying for the review.

5. The University will acknowledge receipt of the request for a review. You will then be notified in writing of the reviewer’s decision and the reviewer’s reasons for making the decision. However, if you do not receive any advice of a decision within 45 days of receiving the application for review, the reviewer is taken to have confirmed the original decision.

6. If you are dissatisfied with the results of the review and you are a Commonwealth Supported or HELP liable student, you have the right to appeal to the Administrative Appeals Tribunal (AAT) for a review of the reviewer’s decision (this does not apply to full fee paying students). Applications to the AAT are to be forwarded to:
   Deputy Registrar
   Administrative Appeals Tribunal
   Level 7, 55 Market Street
   Sydney NSW 2000
   Ph (02) 9391 2400

Please note that an application fee of $861.00 (as at November 2015) is normally payable to the AAT.

Important note: If you change your address or contact details after you have lodged your application, please notify the Domestic Compliance, HECS and Fees office immediately. If you are a current student you will also be required to update these details through your Sydney Student Portal.

PRIVACY

The University will collect, manage, use and disclose personal information in accordance with relevant legislation. The Information Protection Principles contained in the NSW Privacy and Personal Information Act 1998 governs all matters related to personal information in the University.

The information collected is used solely for the purpose of assisting the Domestic Compliance, HECS and Fees office of the Student Centre to make an informed decision on your case.
