Guide to Tables

| Key | Explanation |
|------------------------------------|---|
| ATAR | Australian Tertiary Admissions Rank is a measure of a student's overall academic achievement relative to other students in Australia. The ATAR requirement is set by faculties for each course. The ATAR is applicable to most Australian Year 12 examinations (eg, NSW Higher School Certificate (HSC), Victorian Certificate of Education (VCE), Western Australian Certificate of Education (WACE)) or, an equivalent is determined when you apply. (eg, Queensland Certificate of Education, New Zealand NCEA) |
| A+C | A combination of ATAR plus additional selection criteria (e.g. portfolio, audition, STAT/ISAT exam). Please see Special Entry Criteria for more details |
| Yrs | The standard full time course duration in years. Most international students must maintain a full time course load as a condition of their student visa. |
| M/J | Indicates whether the course is available for entry in March and/or July . Note that the standard academic year runs from March to November - some courses may have limited subject choices if commenced in the July semester. |
| NC | New course - ATAR and corresponding scores for other qualifications not available at this stage. |
| English - IELTS | The first score is the overall score required, the second score(s) (in brackets) is the minimum score required in each component L-Listening, R-Reading, S-Speaking, W-Writing. For more information on other tests and meeting English requirements, refer to English language requirements . |
| English - IBT | The IBT is the Internet-based TOEFL test. The first score is the overall requirement (total of all components). Students must also achieve the required minimum in other sections (Unless specified as L-Listening, R-Reading, S-Speaking, W-Writing, the first number in brackets is the Writing section, the second number is for all other sections). For more information on other tests (including paper-based TOEFL) and meeting English requirements, refer to English language requirements . |
| USFP | University of Sydney Foundation program. The USFP scores can serve as a guide to entry for other foundation programs. However, students should note that, depending on the foundation program, the requirements may vary from course to course and are generally higher. Some foundation programs are expressed as a percentage. In this table an 8 is equal to 80%, 9.5 is 95% and so on. Separate English requirements will also apply. |
| GCE AL3 & AL4 | General Certificate of Education Advanced Levels including UK GCE and Cambridge Higher School Certificate and other overseas derivatives. Applicants must present either 3 or 4 Advanced level (A2) subjects in the same academic year. The entry requirement is determined by the total of all A2 subjects (where a mark of A=5, B=4, C=3, D=2, E=1). A maximum of two 'Stand Alone' Advanced Subsidiary subjects may be added to the total (where a mark of A=2.5, B=2, C=1.5, D=1, E=0.5), as long as these subjects have not been studied at Advanced Level. From 2014 onwards GCE A-Level entry requirements will be assessed using a new conversion table which is significantly different to the table provided here. Advanced Subsidiary subjects will also not be included in the calculation. Until 2014 all applications will be assessed against both tables. In most cases a higher ATAR equivalent is achieved when both A and A* results are awarded 5 points equally and applications are assessed using the table provided here. However, when 3 or more A* results are presented, the new table yields a higher ATAR equivalent. In order not to disadvantage students, any offers of admission will be made according to whichever table gives the higher ATAR equivalent. |
