OLT grants now listed on ACG Register

The Office for Learning and Teaching (OLT) has advised that both their Grants and Fellowships have been listed on the 2013 Australian Competitive Grants Register (ACGR). For the Grants, the following programs are included: Innovation and Development, Leadership for Excellence in Learning and Teaching, Seed Projects, and Strategic Priority Projects.

You can find more details about the ACGR [here](#).

The Register's managers have advised that funding paid in 2012 for OLT Grants and Fellowships can be included in the University's 2013 Higher Education Research Data Collection return.

Information on the OLT grant schemes is available on the [ITL website](#).
