About Wenona School
www.wenona.nsw.edu.au

Wenona is a single-sex, non-denominational school, for girls from Kindergarten to Year 12. We offer a liberal, broad based curriculum, and have high academic standards. We strongly encourage participation in the arts, sport, and other experiences outside the classroom. Founded in 1886, Wenona is one of the longest established girls’ schools in Australia.

We stand for values and ideals of the ‘renaissance’ woman, for the inherent value of every woman to be exceptionally well educated, both morally and intellectually, having developed a strong sense of belonging and self-worth.

We are different because our attitude of service manifests itself in every area of school life, and this service is proactive, compassionate and thoughtful. We believe that women can do anything they set their hearts and minds to do, and we believe that Wenona is a school that genuinely enables our women to be the very best they can be.

We believe in an egalitarian model of leadership whereby women can take their place and contribute to society, having been exceptionally well educated, both in character and across a broad range of disciplines. We are about educating and developing young women to make wise, informed, thoughtful decisions about their lives and about ways they can contribute to make this complex and changing world a better place. We want Wenona to be one of the great schools of the world, and a leading light in educating women.
