Conditional Scholarship offers made

The objective of this Scholarship is to facilitate structured learning to advance the recipient’s growth as an engineering practitioner and leader consistent with the aims and objectives of the Engineering Leadership Program and in accordance with University’s rules and policies as are made and amended from time to time.

To be eligible, an applicant must:
- be an Australian citizen or Australian permanent resident,
- and also be Aboriginal or a Torres Strait Islander,
- qualify to enter and enrol into an undergraduate biomedical engineering program in the Faculty of Engineering and Information Technologies at the University of Sydney, and
- commence in Semester 1, 2016.

Selection criteria

In addition to academic ability, applicants are selected based on their interpersonal skills, leadership qualities, communication skills, creativity, self-motivation and achievements in non-academic pursuits and involvement in both school and community activities. To demonstrate this, applicants are required to complete an online form addressing these skills.

You will need to:
- Address each of the above skills separately using no more than 600 words for each skill as outlined above.
- Provide a copy of your year 11 and 12 school reports and attach a current CV to your application.

The Scholarship will be awarded by the Director of the Faculty of Engineering and Information Technologies Leadership Program and the Faculty Associate Dean (Education), or their delegate.

Payments shall be made in equal instalments after the Census dates of each semester, subject to satisfactory academic performance deemed to be a minimum of credit average (65%) or above each semester. Scholars shall not hold any other primary scholarship simultaneously. Deferment of the Scholarship is also not permitted. Students must also be available and commit to the compulsory practical experience placements that form part of this Scholarship.

Please refer to the terms and conditions of this Scholarship for a full list of the conditions that apply.

Helpful tips
- Draft your responses before completing them in the online form.
- Proof-read and check the spelling of your responses before you submit the application.
