

Norman I Price scholarship for all full-time research students

The Norman I. Price Supplementary Scholarship will be awarded to full-time PhD and MPhil students enrolled in the School of Electrical and Information Engineering, under the following conditions.

1. The value of the scholarship will be \$3,500 per Semester and the scholarship terminates at the end of six semesters enrolment for PhD candidates and two semesters enrolment for MPhil candidates. The scholarship is extendable for one semester subject to receipt of an application from students, approved by the Director Postgraduate Studies. This application must be received at least one month prior to the end of the normal scholarship period.
2. Student who complete an MPhil before commencing the PhD will be eligible for the full term of the scholarship for the PhD. This will be effective immediately for all:
 - (a) MPhil students enrolled in first semester 2004 and after that.
 - (b) PhD students who have been enrolled since first semester 2002.
3. The conditions and the value of the award will be reviewed at the end of each Semester.
4. Students are required to notify the Graduate School of Engineering and IT, in writing, of any change in their enrolment that would affect this award, e.g. change from full-time to part-time, or change in financial status.

(Supplementary scholarships are awarded to students who have been successful in obtaining other scholarships such as an APA scholarship)
