Essential Information

Students returning from suspension must notify the Graduate School of Engineering 3 months prior to recommencing. International students will also need to advise the International Office (international.studentadvisers@sydney.edu.au) at the same time.

Late requests will require permission from the Graduate School of Engineering. Please email george.carayannopoulos@sydney.edu.au before lodging an application. Please note that if you fail to do so, your candidature will be regarded as having lapsed and you will be required to apply for re-admission.

PLEASE NOTE: This administrative process may take up to 2 weeks, depending upon when you submit this form.
