

Young UN Women Australia Sydney Chapter **Graphic Design and Photography Assistant**

The Young UN Women Australia Sydney Committee is a dynamic network of young women and men that aims to encourage the involvement of young women and men in women's development and security, build-up young women's leadership capabilities and contribute and support the work and priority areas of UN Women Australia.

We are looking for someone to:

- Assist the Newsletter Editor-In-Chief with the formatting of a quarterly newsletter;
- Take photographs at Young UN Women Australia Sydney events; and
- Develop graphics for promotional material in conjunction with the Marketing Coordinators, the Print and Social Media Officer, and other members of the Executive.

This position may be divided into two positions – Graphic Design Assistant and Photographer – based on the applications received. As such, applicants with skills in only graphic design or photography should still apply.

This is an exciting opportunity to join our Young UN Women community in Sydney, alongside dynamic and inspiring young women and men, and work together to make a difference.

To Apply

To apply, please send the following documents to sydneyyouth@unwomen.org.au by **Friday 17th February**:

- A copy of the completed nomination form;
- Three samples of your previous graphic design work and/or three samples of your photography;
- A Resume.

If you have any further questions, please contact us at sydneyyouth@unwomen.org.au.
