Information]

2012

Workshop on Health Informatics and Knowledge Management (HIKM 2012), Sydney, Australia: ACM Digital Library.

Genetic Algorithms.

**2010**

**2008**

Nanobioscience, 7(3), 200-205. [More Information]

Computing (NIDISC08) held in conjunction with The 22th IEEE/ACM International Parallel and Distributed Processing, USA: (IEEE) Institute of Electrical and Electronics Engineers.

2007

**2006**

Parallel Processing (35th) (ICPP 2006), USA: (IEEE) Institute of Electrical and Electronics Engineers.

2005

flow-time first load sharing approach for distributed server farm. Journal of Parallel and Distributed Computing, 65(7), 832-842.

2004
