2016

2015

2014

2013

2012

Nebot, E. (2012), Challenges of automation and safety in field robotics.

2011

2010

2007

2006

Katz, R., Melkumyan, N., Guivant, J., Bailey, T., Nieto, J.,
International Conference on Intelligent Robots and Systems - following in large unstructured environments. IEEE/RSJ Institute of Electrical and Electronics Engineers.

2005

2004

2003

2002

2001

Guivant, J., Nebot, E. (2001). Compressed filter for real time implementation of simultaneous localization and map building. 3rd International Conference on Field and Service Robotics,
Helsinki: UNSW Australian Defence Force Academy.
