**2007**

Saha, S., Patterson, J., Lei, C. (2007). Effect of aspect ratio on
natural convection in attics subject to periodic thermal forcing. 
\textit{ANZIAM Journal}, 48(CTAC2006), C677-C691.

\small\url{http://dx.doi.org/10.1615/ICHMT.2005.AustHeatMassTra nsConf.240}

Lei, C., Patterson, J. (2006). Natural Convection Induced by Diurnal Heating and Cooling in a Reservoir with Slowly Varying Topography. \textit{Jisme International Journal. Series B: Fluids and Thermal Engineering}, 49(3), 605-615. \small\url{http://dx.doi.org/10.1299/jsmeb.49.605}

2005

Xu, F., Patterson, J., Lei, C. (2005). Shadowgraph observations of the transition of the thermal boundary layer in a side-heated cavity. \textit{Experiments in Fluids: experimental methods and their applications to fluid flow}, 38(6), 770-779. \small\url{http://dx.doi.org/10.1007/s00348-005-0960-1}
