Established in 2016 with the funding from the School of Civil Engineering, the Scholarship aims to encourage and assist students with completing studies in complex systems at the University of Sydney.

To be eligible, an applicant must:
- be an Australian citizen or Australian permanent resident,
- have a full/unconditional offer of study for the Masters of Complex Systems at the University of Sydney for Semester One 2017,
- have achieved a WAM of 75 and above, or equivalent, in their previous tertiary studies, and
- not currently hold another primary scholarship from the University of Sydney.

Selection criteria
The Scholarship shall be awarded based on academic merit.

The Scholarship shall be awarded on the recommendation of the Associate Dean (Education), or their nominee and at least one academic from the School of Civil Engineering Complex Systems Program. The Associate Dean (Education) shall be the Committee Chair.

The Scholarship is tenable for one year only subject to satisfactory academic progress deemed to be a credit average (65%) or above each semester. Payments shall be made in equal instalments after the census date of each semester.

Deferral of the Scholarship is not permitted.

Please refer to the terms and conditions of this Scholarship for a full list of the conditions that apply.
