The Dean’s Entry Scholarship in Engineering & IT was established in 2012 to encourage and support students who are embarking on future studies in the Faculty of Engineering and Information Technologies.

To be eligible an applicant must:
- Be an Australian citizen or Australian permanent resident,
- qualify to enter and enrol into a single or combined bachelor degree program within the Faculty of Engineering & Information Technologies at the University of Sydney to commence in Semester 1 2016, and
- achieve an ATAR of 98 or above.

One scholarship shall be awarded in each of the five schools within the Faculty of Engineering and Information Technologies. Two remaining Scholarships will be awarded on the basis of academic merit to students entering selected undergraduate courses/streams within the Faculty. The courses/streams chosen will be at the discretion of the Associate Dean (Education) or their nominee, but will be selected to promote diversity in the allocation of the Scholarship.

Selection criteria
Applicants will be assessed on their academic merit. Applicants must complete an online scholarship application and include their most recent Year 11 and 12 school reports by the Scholarship closing date.

You must also provide a statement that outlines in order your preferred courses within the Faculty of Engineering and Information Technologies at the University of Sydney. You only need state the course title i.e. Bachelor of Engineering Honours (Civil).

The Scholarship shall be awarded by the Associate Dean (Education) or their nominee.

The Scholarship is tenable for a period of one year. Payments shall be made in equal instalments after the census date of each semester. The recipient must meet satisfactory academic performance requirements to maintain the Scholarship deemed to be a credit average (65%) and above.

Deferment of the Scholarship is not permitted.

Please refer to the terms and conditions of this Scholarship for a full list of the conditions that apply.
