Graham Daniels Scholarship in Engineering and Information Technologies

Terms and Conditions

1. Background

   a. The Graham Daniels Scholarship was established in 2010 to encourage higher education in the Faculty of Engineering and Information Technologies with the aim of supporting students of high academic ability who may be facing financial hardship, medical condition or living in a rural or remote area.

2. Eligibility

   a. The Scholarship shall be open to all Australian Citizens or Australian Permanent Residents who are in their final year of schooling and qualify to enter and enrol into any bachelors program offered in the Faculty of Engineering & Information Technologies at the University of Sydney.

   b. Combined degrees are eligible.

   c. The applicant must submit a personal statement demonstrating how they meet one of the following criteria: financial hardship, medical condition, and residing in a rural or remote area. Applicants must provide supporting documentation.

3. Awarding of the Scholarship

   a. The Scholarship shall be awarded on the basis of academic merit as indicated by the applicant's performance at the NSW HSC examination or equivalent and consideration of one or more of the relevant criteria as outlined in Term 2.c.

   b. The Scholarship shall be awarded by the Associate Dean (Education), or their nominee.

4. Tenure

   a. The scholarship shall be tenable for the duration of the course including combined degrees subject to satisfactory academic progress deemed to be a credit average (65%) or above each semester.

   b. If the Scholarship recipient decides to study for an Honours requiring an additional year of enrolment for the award of Honours in the Faculty of Engineering and Information Technologies, then the Scholarship may be extended subject to approval by Associate Dean (Education)

   c. Deferment of the Scholarship is not permitted.

   d. The Scholarship shall be tenable in the Faculty of Engineering and Information Technologies at the University of Sydney and shall not be transferable to another Faculty or University program.

5. Value and Payment

   a. The total value of the Scholarship is $6,000 per annum.

   b. Payments shall be made in equal instalments after the Census date of each semester.
c. The Scholarship shall be awarded subject to the availability of funds.

6. Termination of Scholarship and other conditions

The Scholarship will be terminated on the following grounds:

a. The recipient withdraws from their degree program,

b. If the recipient changes their program (i.e. course, major or stream) in their first year of study without the prior approval of the Associate Dean (Education),

c. The recipient commences part-time study without the prior consent of the Associate Dean (Education),

d. The recipient does not maintain satisfactory academic performance as defined in Term 4.a, and

e. The recipient receives and accepts another primary University of Sydney Scholarship or Faculty scholarship during the duration of this Scholarship.

f. In the event that the recipient discontinues their course any money paid to the student during that academic year may be requested to be repaid to the Faculty of Engineering and Information Technologies. This is subject to the Associate Dean (Education)’s discretion.

g. The recipient will not pursue a course of studies at any institution other than the University of Sydney during the course of the Scholarship.

h. The recipient may be entitled to a ‘Leave of Absence’ during the Scholarship program in the event of extenuating circumstances subject to the discretion of the Associate Dean (Education).
