Scholarship offers made after UAC release of ATARs

Under the gift of Sir Peter Nicol Russell, this Scholarship was established in 1896, the fund that later became known as the Peter Nicol Russell Bequest. This Scholarship aims to encourage higher education in mechanical and mechatronic Engineering and is offered to candidates for the degrees of the Bachelor of Engineering Honours in Mechanical and/or Mechatronic Engineering.

To be eligible, an applicant must:

- Be an Australian citizen or Australian permanent resident,
- be in their final year of schooling and qualify to enter and enrol in any Bachelor of Engineering Honours degree in Mechanical or Mechatronic Engineering at the Faculty of Engineering & Information Technologies at the University of Sydney, and
- in the case of applicants who have a previous tertiary record the Associate Dean (Education) shall take into account the applicant’s original ATAR ranking and their subsequent academic record of tertiary study.

Applicants with an ATAR of more than 3 years standing will not be eligible unless the applicant has been engaged for the full-time following completion of HSC examination in a program of employment and /or study related to the practice of engineering.

Combined degrees are not eligible.

Applicants cannot currently hold another primary scholarship from the University of Sydney.

Selection criteria

Applicants will be assessed on their academic merit. Applicants must complete an online scholarship application and include their most recent Year 11 and 12 school reports by the Scholarship closing date.

The Scholarship shall be awarded on the recommendation of the Associate Dean (Education), or their nominee.

The Scholarship is tenable for a period of up to four years subject to satisfactory academic progress deemed to be a credit average (65%) or above each semester. Payments shall be made in equal instalments after the census date of each semester.

Deferment of the Scholarship is not permitted.

Please refer to the terms and conditions of this Scholarship for a full list of the conditions that apply.
