Established in 2015 with the funding from the School of Civil Engineering, the Scholarship aims to encourage and assist students with studies in undergraduate civil engineering at the University of Sydney.

To be eligible, an applicant must:
- Be an Australian citizen or Australian permanent resident,
- be in their final year of schooling and qualify to enter and enrol into the civil engineering undergraduate program at the Faculty of Engineering & Information Technologies,
- demonstrate leadership qualities, innovation and self-motivation, communication skills and achievements in non-academic pursuits and involvement in school and community ventures, and
- not currently hold another primary scholarship from the University of Sydney.

Selection criteria
Applicants will be assessed on their academic merit and demonstrated leadership qualities, innovation and self-motivation, communication skills and achievements in non-academic pursuits and involvement in school and community ventures.

You will need to:
- Address each of the above skills separately using no more than 250 words for each skill as outlined above.
- Provide a copy of your year 11 and 12 school reports and attach a current CV to your application.

The Scholarship shall be awarded on the recommendation of the Associate Dean (Education), or their nominee and at least one academic from the School of Civil Engineering.

The Scholarship is tenable for the duration of the degree up to a maximum of four years. Payments shall be made in equal instalments after the census date of each semester. The recipient must meet satisfactory academic performance requirements to maintain the Scholarship deemed to be a credit average (65%) and above each semester.

Deferment of the Scholarship is not permitted. Please refer to the terms and conditions of this Scholarship for a full list of the conditions that apply.

Helpful tip
- Draft your responses before completing them in the online form.
- Proof-read and check the spelling of your responses before you submit your application.
