*** Double degree Medicine and Dentistry:** Double degree medicine degrees are expected to have an ATAR of 99.95 (or equivalent scores for other accepted secondary school qualifications) for domestic applicants and a similarly high threshold for international applicants. Check the relevant website for more information. sydney.edu.au/medicine/ddmp. The double degree Dentistry program is expected to have a minimum ATAR of 99.5 (or equivalent scores for other accepted secondary school qualifications) for all students. All eligible Dentistry and Medicine double degree applicants are also required to undertake a double degree Medicine/Dentistry assessment which is comprised of a written assessment and a faculty discussion session. The University will contact eligible applicants for the assessment. Admission criteria and application processes for these courses are subject to change without notice.

^ Teaching programs: Bachelor of Education (Primary), Bachelor of Education (Health and Physical Education), and Bachelor of Music (Music Education) Students entering these teaching programs need to achieve a minimum of three Band 5s in their NSW HSC, one of which must be English (not English as a Second Language (ESL)). Similar requirements will be applied to the IB and other Australian Year 12 qualifications. For other secondary qualifications you need to achieve the minimum scores provided as a guide and get good results in English (not ESL). If you also need to meet English proficiency requirements through a test such as IELTS, you need to complete those requirements separately.

**** Sciences Po and the University of Sydney Dual Degrees:** Admission to the Dual Degree program is highly competitive. Acceptance to the program will be determined by a Sciences Po and University of Sydney Dual Degree Admissions Committee based on evidence of academic achievement and intellectual readiness, and on applicants' own representation of their experience, ideas and aspirations. Applicants need to also meet the minimum admission requirements for their degree of choice at the University of Sydney, including English language requirements. The Sciences Po program requires a total of four years of full-time study to be eligible for two separate awards from Sciences Po and the University of Sydney. During years 1-2, students will enrol at Sciences Po, France and pay the applicable fee direct to Sciences Po. During years 3-4, students enrol in the applicable Sydney degree (international students enrol in the applicable CRICOS registered Sydney degree), with eligible transfer credits for studies undertaken at Sciences Po. Students will pay the applicable Sydney fee in years 3-4 to the University of Sydney. For more information on entry requirements, tuition fees and application processes, visit the relevant course page: sydney.edu.au/courses

‡ Dalyell Scholars courses (by application): Entry to these Dalyell Scholars courses is by application. Several other courses can be studied through the Dalyell Scholars program by invitation only.
