

Publications for Jane Burns

2017

Milton, A., Ellis, L., Davenport, T., Burns, J., Hickie, I. (2017). Comparison of Self-Reported Telephone Interviewing and Web-Based Survey Responses: Findings From the Second Australian Young and Well National Survey. *JMIR Mental Health*, 4(3), 1-11. [More Information]

Iorfino, F., Davenport, T., Ospina Pinillos, L., Hermens, D., Cross, S., Burns, J., Hickie, I. (2017). Correction of: Using new and emerging technologies to identify and respond to suicidality among help-seeking young people: a cross-sectional study. *Journal of Medical Internet Research*, 19(10:e310). [More Information]

Burns, J., Weinberg, M. (2017). Opportunities for technology in promoting resilience and well-being in schools. In Mathew A. White, Gavin R. Slem, A. Simon Murray (Eds.), *Future Directions in Well-Being: Education, Organizations and Policy*, (pp. 17-20). Cham: Springer International Publishing. [More Information]

Burns, J. (2017). *Report of the 2016-17 Thinker in Residence: Take Action Now - Strengthening children and young people's mental health and wellbeing through technology and social media.*

Burns, J. (2017). *Technology use by, and to support, children and young people - a snapshot of the research evidence.*

Iorfino, F., Davenport, T., Ospina Pinillos, L., Hermens, D., Cross, S., Burns, J., Hickie, I. (2017). Using new and emerging technologies to identify and respond to suicidality among help-seeking young people: A cross-sectional study. *Journal of Medical Internet Research*, 19(7), 1-14. [More Information]

2016

Adamson, S., Burns, J., Camp, P., Sin, D., van Eeden, S. (2016). Impact of individualized care on readmissions after a hospitalization for acute exacerbation of COPD. *International Journal of COPD*, 11, 61-71. [More Information]

Carter, G., Page, A., Large, M., Hetrick, S., Milner, A., Bendit, N., Walton, C., Draper, B., Hazell, P., Fortune, S., Burns, J., et al (2016). Royal Australian and New Zealand College of Psychiatrists clinical practice guideline for the management of deliberate self-harm. *Australian and New Zealand Journal of Psychiatry*, 50(10), 939-1000. [More Information]

Burns, J., Birrell, E., Bismark, M., Pirkis, J., Davenport, T., Hickie, I., Weinberg, M., Ellis, L. (2016). The role of technology in Australian youth mental health reform. *Australian Health Review*, 40(5), 584-590. [More Information]

Burns, J. (2016). The role of the ethics committee. *ISAA Review*, 15(1), 61-65.

2015

Ellis, L., McCabe, K., Davenport, T., Burns, J., Rahilly, K., Nicholas, M., Hickie, I. (2015). Development and evaluation of an Internet-based program to improve the mental health and wellbeing of young men. *Interactive Technology and Smart Education*, 12(1), 2-13. [More Information]

Burns, J., Grey, J., Hickie, I., Carr-Gregg, M., Davenport, T., Blanchard, M. (2015). *Future Proofing: The role of technologies in supporting the mental health and wellbeing of veterans.*

Burns, J., Third, A. (2015). It's a youth quake! Mobilising youth participation for research, policy and practice. In Sandra Cortesi, Urs Gasser (Eds.), *Digitally Connected: Global Perspectives on Youth and Digital Media*, (pp. 104-105). Cambridge, Massachusetts, USA: Berkman Centre for Internet and Society at Harvard University.

Ridani, R., Shand, F., Christensen, H., McKay, K., Tighe, J., Burns, J., Hunter, E. (2015). Suicide prevention in Australian Aboriginal communities: a review of past and present programs. *Suicide and Life-Threatening Behavior*, 45(1), 111-140. [More Information]

Rosenberg, S., Hickie, I., McGorry, P., Salvador-Carulla, L., Burns, J., Christensen, H., Mendoza, J., Rosen, A., Russell, L., Sinclair, S. (2015). Using accountability for mental health to drive reform. *Medical Journal of Australia*, 203(8), 328-330. [More Information]

2014

Burns, J., Liacos, G., Green, F., O'Neil Am, D., Thapliyal, A. (2014). *Advice on innovative technologies in e-mental health: Briefing paper for the national mental health commission.*

Ellis, L., McCabe, K., Rahilly, K., Nicholas, M., Davenport, T., Burns, J., Hickie, I. (2014). Encouraging young men's participation in mental health research and treatment: perspectives in our technological age. *Developing Practice*, 4(10), 881-888. [More Information]

Burns, J., Birrell, E. (2014). Enhancing early engagement with mental health services by young people. *Psychology Research and Behavior Management*, 7, 303-312. [More Information]

Burns, J., Davenport, T., Christensen, H., Luscombe, G., Mendoza, J., Bresnan, A., Blanchard, M., Hickie, I. (2014). *Game on: Exploring the impact of technologies on young men's mental health and wellbeing.*

Hickie, I., McGorry, P., Davenport, T., Rosenberg, S., Mendoza, J., Burns, J., Nicholas, J., Christensen, H. (2014). Getting mental health reform back on track: a leadership challenge for the new Australian Government. *Medical Journal of Australia*, 200(8), 445-448. [More Information]

Burns, J. (2014). Growing Up In a Digital World. In Neil Porter and Helen Street (Eds.), *Better than OK: Helping young people to flourish at school and beyond*, (pp. 165-169). Fremantle: Fremantle Press.

Burns, J., Davenport, T., Ricci, C., Birrell, E., Blanchard, M., Hickie, I. (2014). It's one 'smart' solution: Using new and emerging technologies to support the mental health and wellbeing of young men. *Developing Practice*, (40), 6-19.

Blanchard, M., Morris, J., Birrell, E., Stephens-Reicher, J., Third, A., Burns, J. (2014). *National young people and asthma survey: Issues and opportunities in supporting the health and wellbeing of young Australians living with asthma*.

Burns, J., Hickie, I., Christensen, H. (2014). *Strategies for adopting and strengthening e-mental health*.

Burns, J. (2014). The human cost of the shifting economy: Holden's closure and Elizabeth's future. *Australian and New Zealand Journal of Psychiatry*, 48(4), 375-376. [More Information]

Burns, J. (2014). *Why let them fall? Understanding the role of health promotion in shaping a better life for all young people*.

2013

Monshat, K., Khong, B., Hased, C., Vella-Brodrick, D., Norrish, J., Burns, J., Herrman, H. (2013). "A Conscious Control Over Life and My Emotions:" Mindfulness Practice and Healthy Young People. A Qualitative Study. *Journal of Adolescent Health*, 52(5), 572-577. [More Information]

Blanchard, M., Hosie, A., Burns, J. (2013). *Embracing technologies to improve wellbeing for young people: An Australian view of evidence and policy implications (in Commonwealth Health Partnerships 2013)*.

Burns, J. (2013). Suicidal ideation in Australia's young men: findings from the first Young and Well CRC National Survey. *Second International Youth Mental Health Conference 2013*, Brighton, UK.

Burns, J. (2013). Sweet dreams are made of this: development and evaluation of a mobile phone app intervention targeting sleep/wake cycle in a group of young males. *Second International Youth Mental Health Conference 2013*, Brighton, UK.

Burns, J. (2013). Technology, mental health and wellbeing: findings from the first Young and Well CRC National Survey. *Second International Youth Mental Health Conference 2013*, Brighton, UK.

Burns, J., Blanchard, M., Gesling, K. (2013). Twitter ain't just for twits: Using Technology to Improve the Mental Health and Wellbeing of Young People. *Second International Youth Mental Health Conference 2013*, Brighton, UK.

Burns, J. (2013). Working outside the comfort zone: academic-social-technological partnerships to deliver technology-based interventions to improve mental health and wellbeing in young people. *Second International Youth Mental Health Conference 2013*, Brighton, UK.

Ellis, L., Collin, P., Hurley, P., Davenport, T., Burns, J., Hickie, I. (2013). Young men's attitudes and behaviour in relation to mental health and technology: implications for the development of online mental health services. *BMC Psychiatry*, 13, 1-10. [More Information]

Ellis, L., Collin, P., Hurley, P., Davenport, T., Burns, J., Hickie,

I. (2013). Young men's attitudes and behaviour in relation to mental health and technology: implications for the development of online mental health services. *BMC Psychiatry*, 13, 1-10. [More Information]

Burns, J. (2013). Young People Technology and their mental health and wellbeing. *Second International Youth Mental Health Conference 2013*, Brighton, UK.

2012

Blanchard, M., Herrman, H., Frere, M., Burns, J. (2012). Attitudes informing the use of technologies by the youth health workforce to improve young people's wellbeing: Understanding the nature of the "digital disconnect". *Youth Studies Australia*, 31(1), 14-24.

Collin, P., Rahilly, K., Stephens-Reicher, J., Blanchard, M., Herrman, H., Burns, J. (2012). Complex connections: Meaningful youth participation for mental health promotion. *Youth Studies Australia*, 31(1), S37-S47.

Blanchard, M., Burns, J. (2012). Connected and creative: a vision for a young and well Australia. *The 7th World Conference on the Promotion of Mental Health and the Prevention of Mental and Behavioural Disorders*, Perth.

Monshat, K., Vella-Brodrick, D., Burns, J., Herrman, H. (2012). Mental health promotion in the Internet age: A consultation with Australian young people to inform the design of an online mindfulness training programme. *Health Promotion International*, 27(2), 177-186. [More Information]

Ellis, L., Collin, P., Davenport, T., Hurley, P., Burns, J., Hickie, I. (2012). Young men, mental health and technology: implications for service design and delivery in the digital age. *Journal of Medical Internet Research*, 14(6), 1-9. [More Information]

Ellis, L., Collin, P., Davenport, T., Hurley, P., Burns, J., Hickie, I. (2012). Young men, mental health, and technology: implications for service design and delivery in the digital age. *Journal of Medical Internet Research*, 14(6), 1-8. [More Information]

2011

Burns, J. (2011). Enabling all young Australians to grow up safe, happy, healthy and resilient: A collaboration for young people, technology and wellbeing. *Australasian Psychiatry*, 19(Suppl. 1), S62-S64. [More Information]

Burns, J. (2011). New CRC to focus on technology and wellbeing. *Youth Studies Australia*, 30(1), 3.

Stephens-Reicher, J., Metcalf, A., Blanchard, M., Mangan, C., Burns, J. (2011). Reaching the hard-to-reach: How information communication technologies can reach young people at greater risk of mental health difficulties. *Australasian Psychiatry*, 19(Suppl. 1), S58-S61. [More Information]

Collin, P., Metcalf, A., Stephens-Reicher, J., Blanchard, M., Herrman, H., Rahilly, K., Burns, J. (2011). ReachOut.com: The role of an online service for promoting help-seeking in young people. *Advances in Mental Health*, 10(1), 39-51. [More Information]

2010

Burns, J., Webb, M., Durkin, L., Hickie, I. (2010). Reach Out Central: A serious game designed to engage young men to improve mental health & wellbeing. *Medical Journal of Australia*, 192(11), S27-S30.

Burns, J., Davenport, T., Durkin, L., Luscombe, G., Hickie, I. (2010). The internet as a setting for mental health service utilisation by young people. *Medical Journal of Australia*, 192(Suppl. 11), S22-S26.

2009

Burns, J., Blanchard, M., Metcalf, A. (2009). Bridging the digital divide in Australia: the potential implications for the mental health of young people experiencing marginalisation. In Enrico Ferro, Yogesh K. Dwivedi, J. Ramon Gil-Garcia, Michael D. Williams (Eds.), *Handbook of research on overcoming digital divides: Constructing an equitable and competitive information society*, (pp. 90-111). IGI Global. [More Information]

Nicholas, J., Burns, J. (2009). Global implementation of a successful internet-based mental health promotion service for adolescents and young adults from Australia. *4th Scientific Meeting of the International Society for Research on Internet Interventions (ISRII) and First International E-Mental Health Summit 2009*, Amsterdam.

Burns, J., Durkin, L., Nicholas, J. (2009). Mental Health of Young People in the United States: What Role Can the Internet Play in Reducing Stigma and Promoting Help Seeking? *Journal of Adolescent Health*, 45(1), 95-97. [More Information]

Nicholas, J., Burns, J. (2009). Reach Out Central: Using the internet and game based technologies to promote mental health to young people. *4th Scientific Meeting of the International Society for Research on Internet Interventions (ISRII) and First International E-Mental Health Summit 2009*, Amsterdam.

Burns, J., Ellis, L., Mackenzie, A., Stephens-Reicher, J. (2009). Reach Out: Online mental health promotion for young people. *European Journal of Psychotherapy, Counselling and Health*, 5(1), 171-186.

Burns, J., Morey, C. (2009). Technology and young people's mental health and well being. In Bennet, D; Towns, S; Elliot, E; Merrick, J. (Eds.), *Challenges in Adolescent Health: An Australian Perspective*, (pp. 61-71). United States: Nova Science Publishers.

Collin, P., Burns, J. (2009). The experience of youth in the digital age. In Andy Furlong (Eds.), *Handbook of Youth and Young Adulthood: New Perspectives and Agendas*, (pp. 283-290). United Kingdom: Routledge.

2008

Collin, P., Nicholas, M., Betts, K., Blanchard, M., Burns, J. (2008). ActNow: using the internet to promote young people's mental health and wellbeing through social inclusion. *5th World Conference on the Promotion of Mental Health and the Prevention of Mental and Behavioural Disorders*, Melbourne, Australia.
